

Dear Members,

We are in the midst of summer waiting for the rains to cool down the weather... I am sure all of you would have had a well deserved break and are back in action with renewed energy and enthusiasm.

In April, our guest speaker Mallika Sarabhai floored us with her views on life and her career. Ranvir Shah kept the morning going with his interesting questions and comments. This month, we invite Mr.K.L.Tilakchand, Retired IRS to give an inspiring talk on our life and lifestyles. During his brilliant service career, he received awards from the Government and the Income Tax Department. Known to be a terrific speaker, he has authored and published 2 books on individual development. He is an innovative, thinking positively out-of-the box person and loves adventure. Come and get your spirits lifted and look forward to life!
